Please share your experience at WCBCS and the impact it has made in your life.	West Coast Bible College thus far has been a pleasant experience for me. The staff are very courteous and responsive. The classes and the curriculum are very thought provoking while being practical; this is necessary for pastors in the trenches. This school is very professional from the website, to staff and then class work. This school will help those who attend be relevant to and ahead of the times we live in.
