Please share your experience at WCBCS and the impact it has made in your life.

I am currently enrolled in the Doctor of Ministry Degree Program. I am highly impressed with the quality of education that this institution offers to its students, and the Student Services Department quick response to all my inquiry. I am also confident that this Bible College and Seminary places a high premium on its students educational development. The education that I am receiving has broadened my knowledge and understanding of the role and expectation of Pastoral Leadership. Becky, who is the Vice President for Academic and Student Services, has made an extra effort to respond to all my concerns and inquires.
