Please share your experience at WCBCS and the impact it has made in your life.

My name is Dr. Samuel A. Brumit, LMFT. I am taking this opportunity to share my experience with West Coast Bible College and Seminary. I have been enrolled at WCBCS since January 2019. West Coast has been beneficial in so many ways. The staff has been extremely helpful at every stage. The curriculum in my program covers the vital areas needed to equip me for my given field of ministry. West Coast approaches all they do with great integrity.

I heartily recommend the Seminary to anyone who desires to further their education and wants to do so in an atmosphere that values hard work and diligence. I look forward to proudly possessing a degree from there as I enter the home stretch.

Feel free to contact me for further thoughts on West Coast. I am more than happy to share.

Sincerely,
Dr. Samuel A. Brumit
