**Please share your experience at WCBCS and the impact it has made in your life.**

My husband and I entered the ministry later in life. While raising two young sons, attending a university was not a possibility - neither practically nor financially. When my husband began taking classes with WCBCS, it wasn't long before I noticed remarkable changes in him. He was growing in his walk with God, knowledge of how to apply Scripture, and effectiveness in ministry. This encouraged me and I enrolled shortly after him. We both now hold MA degrees from WCBCS and last fall our youngest son also enrolled.

We have navigated many challenging ministry seasons as outstanding spiritual leaders because of the confidence and competence established through our education from WCBCS.
