Please share your experience at WCBCS and the impact it has made in your life.	Affordable opportunity to learn the Bible, acquire a degree, understand different concepts - all while doing it at your own pace. It's been awesome. I love it. Can't wait to finish - I'm on track to get a bachelor's in ministry. It's so crazy to think that this is available at the price point they've allowed when all of my friends had to go into debt to get their degrees. It's been a big blessing.
