Please share your experience at WCBCS and the impact it has made in your life.	Because I earned these 2 degrees at WCBCS, I was given the opportunity in my workplace to be seen as a credible minister and went on to become a campus pastor and Bible teacher as a direct result. Without WCBCS, I would have spent thousands on my education, which would only put a financial strain on my family and hindered my ministry to my local community. God has used WCBCS to shape my vocation and future by enabling me to learn without going into debt. My whole life is changed.
