<b>Please share your experience at WCBCS and the impact it has made in your life.</b>	Since joining West Coast Bible College and Seminary in January this to do the Doctor of Ministry Degree Program, my life has greatly began to change for the better. The courses are extremely rigorous and the Professors are kind and helpful. I have done courses in several other Universities but not many can deliver what I am getting at WCBCS. The program is imparting into me practical skills I can apply in my life, in ministry, and teach others. I thank God for this Seminary and believe that I am at the right place doing the right program.
