Please share your experience at WCBCS and the impact it has made in your life.	I loved this school. Christ centered. The courses I took were so pertinent to what my passion is, to help people I still use material today on my counseling I am now doing in my church. In my opinion, biblical counseling gives people the hope we all need. The instructors are amazing and full of the love of Jesus and His word. Keep up this amazing work. Lives are being changed and the kingdom of God is increasing because of your commitment.
