Please share your experience at WCBCS and the impact it has made in your life.

To whom it may concern :

Hi my name is Brandi Bell! I am a transfer student finishing my undergraduate degree in worship arts. I had been super disappointed in previous schools that seemed to expect required credits to be in classes that were more filler than functional. I can honestly say all of my course content has been directly relevant and highly impactful to my position as a worship pastor.

I have been a in my current position for 15 years, and after completion of each class at West Coast, I have lots of great ideas to implement, and new ways to improve what I have already been doing.

Sincerely,

Brandi Bell
