**Please share your experience at WCBCS and the impact it has made in your life.**

WCBCS is a wonderful school run by Godly men and women who truly have a desire to see their students grow and flourish. They aren't simply trying to earn money, they want to help their students grow as disciples of Christ!

I've been a pastor for 5 years and finally was able to complete a degree after finding WCBCS! Thanks to their low tuition and flexible schedule- I accomplished something that seemed out of reach!

I've learned quite a bit theologically and doctrinally because their teachers are some of the "best in the business" as it were. I'm thankful for their diligence in educating and their faithful leadership!
